	 How do laparoscopic adjustable gastric bands affect gastric emptying?
8.50am	Merrill Bohn, North Eastern Weight Loss Surgery
	 Practice Protocols of Dietitians Working in Bariatric Surgery - questionnaire results 2008
9.00am	Chris Hensman, LapSurgery Australia
	 Preliminary experience and lessons learnt implementing Laparoscopic Sleeve Gastrectomy as a salvage procedure following laparoscopic gastric banding
9.10am	Chih-Kun Huang, International Endoscopic Obesity Center, E-Da Hospital, Taiwan
	 Single incision transumbilical laparoscopic bariatric surgery (SIT-LBS) (Video)
9.20am	Wendy Brown, Monash University
	 Erosions following Laparoscopic Adjustable Gastric Banding
9.30am	Simon Monkhouse, Southmead Hospital, Bristol, UK
	 Laparoscopic adjustable gastric banding using the midband without gastric sutures in 450 patients
9.40am	Melissa Hayden, Monash University
	 Depression, the BDI and psychiatric illnesses in obese patients presenting for bariatric surgery
9.50am	Jacob Chisholm, Flinders Medical Centre and Adelaide Bariatric Centre
	 Long term outcome following gastric band slippage
10.00am - 10.30am	Morning Tea
10.30am	Robert Fris, President OSSANZ
	Training and Accreditation - OSSANZ / RACS
11.20am	Andrew Jamieson,
	History of Obesity Surgery in Australia
11.30am - 12.30pm	Free Papers Chair: Wendy Brown, Monash University
11.30am	Harry Frydenberg
	 Reflux and banding - when do you tighten the crus?
11.40am	Paul Burton, Monash University
	 The effect of laparoscopic adjustable gastric bands on the oesophagus and gastro-oesophageal junction
11.50am	Anthony Clough, Australian Institute of Weight Control (Video)
	 Gastric Band and Hiatus Hernia - VIDEO
12.00pm	Panel Discussion Harry Frydenberg Patrick Moore, Paul Burton, Monash University, Anthony Clough, Australian Institute of Weight Control
	Gastro-oesophageal reflux disease

12.30pm - 1.30pm	Lunch and Facilitated Posters
12.50pm	Facilitated Poster Session
1.30pm - 3.30pm	Keynote Session and Free Papers Chair: Isao Kawamura
1.30pm	John Dixon, Monash University Metabolic Surgery
1.40pm	World Congress NYC
1.50pm	Jacob Chisholm, Flinders Medical Centre and Adelaide Bariatric Centre The prevalence of nonalcoholic steatohepatitis in a cohort of 370 Bariatric surgical patients: correlation between clinical and pathological findings.
2.00pm	Muffazal Lakdawala, Saifee Hospital Asia Pacific Consensus Diabetes
2.10pm	John Jorgensen Indications for Surgery
2.20pm	K. Kasama, Yotsuya Medical Cube, Japan  Is there difference between Asian and non-Asian on co-morbidity of morbid obesity and the result of bariatric surgery?
2.30pm	Panel Indications for Surgery
3.00pm - 3.30pm	Afternoon Tea
3.30pm - 4.20pm	Free Papers Chair: Lilian Kow, Adelaide Bariatric Surgery
3.30pm	Roy Brancatisano, Institute of Weight Control  Implantation technique of a novel vagal blockade medical device for the treatment of obesity (VIDEO)
3.40pm	Lilian Kow, Adelaide Bariatric Surgery  Selecting vagal blocking electrical algorithms for obesity treatment
3.50pm	Anthony Brancatisano, Institute of Weight Control  Intermittent vagal block with an implantable medical device improves blood pressure in obese subjects
4.00pm	Nicholas Wray, Adelaide Bariatric Surgery Correlations between enhanced satiety and reduced calorie intake during intermittent vagal block (VBLOC therapy) to treat obesity.
4.10pm	Jane Collins, Adelaide Bariatric Surgery Vagal Block: the human element
4.20pm - 5.30pm	OSSANZ AGM
6.30pm	Poolside Dinner at Sofitel Sponsored by Bariatric Edge division of Johnson & Johnson Medical

Friday 27th March 2009

7.30am	Breakfast Session: Welcome and Introduction Optifast
7.40am	Rob Fris To be Advised
7.50am	John Dixon, Monash University An update on low carbohydrate ketogenic diets

8.00am - 9.10am	Keynote Session and Free Papers Chair: Paul O'Brien
8.00am	Paul O'Brien, Monash University
	 Severe Obesity in Adolescents: A Randomized Trial comparing Laparoscopic Adjustable Gastric Banding or an Intensive Medical Program
8.20am	Wendy Brown, Monash University
	LAGB Literature review
8.30am	Mal Fobi
	Roux En Y Bypass
8.40am	George Hopkins, Royal Brisbane and Womens Hospital and Holy Spirit Northside Private Hospital
	Sleeve Gastrectomy
8.50am	David Schroeder, Surgical Obesity Service, New Zealand
	Emerging Techniques
9.00am	To be Advised
	Literature Review Discussion
9.10am - 9.20am	Short Break
9.20am - 10.00am	Free Papers Chair: To be Advised
9.20am	Vincent Frering
	 How to simplify gastric banding surgery after 7000 procedures? (Video)
9.30am	Michael Booth, North Shore Hospital, and Surgical Weight Solutions, New Zealand
	Laparoscopic silastic ring mini gastric bypass for morbid obesity: the New Zealand experience
9.40am	Ian Michell, Austin Health and Epworth Weight Loss Surgery
	 The two-step technique for laparoscopic gastric banding. (Video)
9.50am	Garrett Smith, Royal North Shore Hospital, University of Sydney
	 Salvage of infected laparoscopic gastric bands
10.00am - 10.30am	Morning Tea
10.30am	Mal Fobi
	Future of Bariatric & Metabolic Surgery Techniques & Indications
11.00am - 12.30pm	Free Papers Chair: Patrick Moore
11.00am	Leon Cohen, Mercy Bariatrics
	 Lessons learnt from 600 Sleeve gastrectomies
11.10am	Laura Kiely, Mercy Bariatrics
	 Quality of Eating in Sleeve Gastrectomy and Lap Band patients
11.20am	John Dixon, Monash University
	 Motivation, readiness to change and weight loss following adjustable gastric band surgery
11.30am	Anthony Clough, Australian Institute of Weight Control
	 Laparoscopic Sleeve Gastrectomy after Open Gastric Stapling
11.40am	Aparna Basker, Saifee hospital, Mumbai
	 Comparison between results of laparoscopic sleeve gastrectomy and laparoscopic roux en-y gastric bypass in the Asian population. A short term study.
11.50am	Panel
	Panel Discussion

12.30pm - 1.30pm	Lunch and Facilitated Posters
12.50pm	Facilitated Poster Session
1.30pm - 3.30pm	Free Papers Chair: Rob Fris
1.30pm	David Schroeder, Surgical Obesity Service, New Zealand
	What happens to obesity patients who don't come back for routine follow-up?
1.40pm	Patrick Moore
	Filling Techniques
1.50pm	Paul Anderson, Ashford Surgical Obesity Clinic
	Ethics of Advertising in Bariatric surgery
2.00pm	Kristin Egberts, Centre for Obesity Research and Education (CORE)
	Is Physical Activity Important for Weight Loss after Bariatric Surgery? A Systematic Review
2.10pm	John Dixon, Monash University
	Algorithm Design
2.20pm	Discussion
	Practice management and after care
2.50pm	Stephanie Bardsley, Royal Brisbane and Womens Hospital and Holy Spirit Northside Private Hospital
	BILIOPANCREATIC DIVERSION - MEDIUM TERM RESULTS (SCOPINARO - A Hard Act to Follow)
3.00pm - 3.30pm	Afternoon Tea
3.30pm - 5.00pm	Panel Discussion Chair: Harry Frydenberg, President, IFSO-APC
3.30pm	Mal Fobi Paul O'Brien, Monash University John Jorgensen Lilian Kow, Adelaide Bariatric Centre Pradeep Chowbey Chris Hensman, LapSurgery Australia
	Revisional Surgery Consensus Re: What To Do and When To Do Revisional Surgery When Do You Quit
5.10pm	To be Advised
	Incoming Presidential Address
5.20pm	Lilian Kow, Adelaide Bariatric Surgery
	OSSANZ
5.30pm	To be Advised
	APC
7.00pm	Conference Dinner at Cairns Sebel
